Upcoming Events

- Holiday party 18th at 6 pm Boy Scout hall. Mission BBQ.
- Winter Field day 25th / 26th

Board items to address:

- None

Requests for help:

- David Rawley needs an event coordinator for Winter Field Day, and Summer Field Day.
- Need to begin planning for Summer Field Day

Will Mooney Presentation:

- Review of Kit Building service (Help Clinic) for club members run by Raven
 - 4th Sunday of each month between 1200-1600
 - A time for new Hams to work with experienced members in the field and learn their equipment.
 - It is a help clinic where members can bring in equipment that needs to be evaluated or tested
 - HF radios are hooked up to computers to test computer controls
 - Field antennas can be tested and have your antenna analyzed
 - Can do some resistor work and cable management
 - Can test nonfunctional equipment and troubleshoot it
 - Ability to do soldering work if needed

- Questions / Comments
 - Dave Grimes likes how this is growing into a new opportunity for all members.
 - Amy asked if there are folks experienced with SDR and is looking for a technical expert in the matter. Yes!
 - Chris Mishaga, What kind of test equipment is available for use? Just about anything is available. Reach out to Raven before a session to see if it can be made available.
- Next 2 Kit Building (Help Clinic) Meeting Times
 - Feb 23, 2025
 - March 23, 2025

Closing Reminders:

- Holiday Party this Saturday. Please RSVP and bring a dessert to share
- Feb 6th is the next Membership Meeting

Meeting ended at 2006

Respectfully Submitted David Rawley, N3AT
