David Rawley (N3AT) called to order 7:36 PM

Charles Gross (KC3JQW)

- Building will be open tomorrow at 10AM to get ready for testing on Saturday. Les is the only one coming. Could use some help. Satellite Antennas have been moved to shed 3. Shed is secure with lock and cameras

Keith Miller -

- 3/16/25 Bi-Annual HT training. Pizza to be served at 1 PM. 30 min video and then hand on session. We need volunteers with call signs to be standing by. Folks with call signs and HTs will be coming earlier to get their gear set up. Report time is 9:30 - 10:00 AM. Will be recording the session for training purposes. Will Mooney said he can help.
- 4/9/25 - General License Class is at 6:30 - 9:00 PM and runs for 9 weeks
- Satellite Antenna update. All equipment is in AARC's possession. They have done a site survey to review the install and are now trying to arrange one more meeting to get details finalized for install within the next 2 weeks.

Dave Ernest (W3RDE)

- The second camera purchase is waiting for approval at the presentation meeting.

Will Mooney (NA3UQQ)

- At the site survey there was a second location that was identified as a possible mounting site for the satellite antennas.
- Upcoming Presentation for 3/20/25 will be by Abie Alexander (AB1F) (Operations overseas in Armenia)

General Questions/Comments:

- Sam Bryant (W3EAT) asked if we were giving up on the new tower. DR said he will need to get himself updated with the details and will follow up.
- Need a sign up sheet for Summer Field Day

Upcoming Events:

3/8 - Testing Day

3/9 - Open Shack Day

3/11 - Project Tuesday

3/13 - Board Meeting next week

3/23 - Kit Building at the end of the month

Meeting adjourned 7:53
