The Prez Sez . . .

VOTE!

The December 2 meeting is when we vote in the new officers and directors who take office Jan 1, 2011.

The nominees are:

President
Vice President
Secretary
Treasurer

OPEN
Nick N3CK
George N3YSA
Rick KK4GV

Director (vote for 3)
Chuck K3ACT Terry KB3CWQ
Bob WA3HOO Jim KB3NQY
Bob K3RSJ Keith KB3UDM

Who will step forward to be President? I have enjoyed the job for the last two years and could have taken a Director position but opted for one of the three main jobs. In other words I'll continue to serve the club and do the work but I want to do something different. That being said, this will be my last *Prez Sez*.

Thanks for all the support and help I have received. That includes but is not limited to, the Board Members, the Field Day Chairpersons, cooks, and all FD participants, the Volunteer Exam Team Leader and all the VE's, the Public Service Coordinator and all the people who worked all the events, the Newsletter Editor, the MD QSO Party Coordinator, those who gave presentations, and the net control stations.

The Holiday Party is Sunday afternoon December 12 at 2 PM. The club will provide the usual fare from the Boston Market and members are requested to bring a dish to share. Please let Laura KB3OGB know how many are coming and the age and gender of any children under 12 so Santa can be prepared. The food and the fantastic door-prizes have been ordered. Pay your 2011 dues before or at the party to be eligible to win a door-prize. Contact Laura at: laura.schlabach@gmail.com

73, Rick – KK4GV AARC President

It's time to renew!

Paying your dues is now easier than ever. Not only can you renew on-line, you can even pay on line. Or you can renew on-line and bring a check to the clubhouse or party. Or mail it in or renew at the party. There is even a "renew with no changes" short form that you can if all your information is the same. The most common change we need to know about is if your e-mail address changes. We are going almost totally electronic with newsletters, announcements, and rosters. This really saves the club a lot of money and keeps you informed with more timely information.

Renew here: <http://www.w3vpr.org/node/35>

If you receive a paper copy of this newsletter, a renewal form is enclosed.

December 21st Total Lunar Eclipse!

Submitted by gbock on Mon, 11/29/2010 - 4:01pm.

Nice deep lunar eclipse (where the moon goes into the earth's shadow) in the Early AM on the 21st. If it's clear, anyone should be able to see it from anywhere. Anyone interested in a star party? N3USP
